

...for Marina's Future

Dear Student,

The Marina Foundation has scholarships available for qualified Marina High School seniors.

The Don Livermore Scholarship will award two \$1,000 Scholarships to qualified Marina High seniors. Each scholarship will be divided into two \$500 payments over a two year period, and will be granted based on verification of school enrollment. Community Service will be given extra consideration in awarding these scholarships.

Scholarship Requirements:

Student must have a minimum 2.5 GPA

Student must be a graduating senior attending Marina High School

We require:

1. a completed application (attached)
2. an official copy of the student's transcripts showing the GPA
3. at least one letter of recommendation from a faculty or staff member at MHS
4. a one-page response to the question: "How has what you've done so far prepared you to achieve your goals?" Essays should be typewritten and should include a heading that contains the applicant's name, address, and telephone number.

The application packet (including the transcripts, letter of recommendation, and essay) must be submitted no later than April 30, 2011 to allow us enough time to make our decisions and notify the recipients prior to graduation.

Sincerely,
